

Dear Fellow ABC Collectors,

You have in your hands the Registration Packet for the 2010 CCA Convention where you will find the information you need about the convention.

The CCA Board of Directors and I have put together what we think is a great program with opportunities for learning, socializing, and building or starting your collection.

We are honored to have as our featured speaker, Jiří Harcuba from Prague, Czech Republic. Jiří is known as the best portrait glass engraver in the world. He will be giving a talk and a demonstration. He is a wonderful, dynamic speaker and teacher.

Here are the steps you need to take:

1. Fill out the Registration Form, write a check for the fees, determine where you'd like to volunteer and fill out the Volunteer Form, and mail.
2. Make your hotel reservation (we have a wonderful price).
3. Sign up for a glass and/or pottery sampler workshop at the Indianapolis Art Center, as an optional event.
4. Determine if you'd like to donate to the Silent Auction or consign to the Live Auction.

If you have been to previous conventions, you will see some differences. One is that the optional events are not scheduled (except for the IAC workshops) - you may do the things you would like to do in Indianapolis when you want. Another difference is that the Friday night dinner is part of the convention program (rather than an optional event).

I look forward to seeing you in June. Please contact me if you have questions.
